Adding Value to Club Membership

"Our goal is to have at least one member from every club around the world so our members can play at private clubs anywhere they travel."

1. What is Country Club X?

> Country Club X is an online community exclusively for country club members. Its main purpose is to connect club members like yourself so you can golf at private clubs near you or anywhere you travel.

2. What's in it for me?

> You can golf at and experience the amenities of clubs you normally wouldn't have access to through the standard reciprocal process.

3. Who can join?

> Membership is restricted to active club members with a registered (USGA, RCGA, EGA) handicap.

4. How much does it cost?

> Our service is completely free provided you meet the above mentioned membership criteria.

5. How does it work?

> Once you've been verified, you can then log into your account. From there you can connect with anyone in the member directory to arrange a round of golf. It's that easy!

6. What clubs can I play?

> We currently have members from 23 different clubs in 4 countries. The number of clubs available increases each time a new member joins. Please visit our website to see the full list of clubs.
